DISCUSSING THE BILL TO LEGISLATE THEM OUT OF EXISTENCE. A special conference of the Park Commissioners

was held yesterday to consider the new bill before the Legislature which will legislate the present Board out of existence. As now composed, the Board has four members, one, Mr. Borden, a Republican, and three, President Robb and Commissioners Hutchins and Towle, Democrats, Mr. Borden's term does not expire until a year from next month, and the other members continue in office two years longer. The ommissioners all appeared to be much surprised at this bill, and word was received by them yesterday that it had passed the Senate and gone to the Gov-Mr. Borden, who offered his resignation to Mayor Hewite last fall, said that he did not care so much for the bill as for being legislated out of office without his own consent. Mr. Towle said that if the change was to be made he should have preferred a single-headed department, but he thought that a Com- & C aission of two members who were paid was better than one of four members of whom only the president received a salary. President Robb seemed perplexed at the turn affairs had taken, but he did not think at the turn affairs had taken, but he did not think yesterday that Governor Hill would sign the new bill. Mr. Hutchins said that he was not anxious to remain in the Department, but he was opposed to all non-partisan Boards. He thought them a return to the old Tweed methods.
